## PRODUCT DATA SHEET

## SD616 XL Veined Sunflower Daisy Gerbera Cutter (85mm)

### Product Description

This cutter is ideal for use with a range of Edible, and Non-Edible materials including: sugarpaste (rolled fondant), petal paste (gum paste), marzipan, or craft clays to produce beautiful simple flowers with detailed veining.

### Material

ABS Thermoplastic

### Storage Conditions & Usage Instructions

- Tools used with food products should be kept separate from those used with non-food materials e.g. craft clay
- Wash cutter carefully after use to prevent build-up of paste residue on sharp edge
- Keep out of the reach of children.

### Origin

- Produced & Packaged In China

### Additional Information

Commodity Code	39269097
Barcode	5060047069496
Seasonal	No
Inner Pack	6
Master Pack	72

### Other Declarations

- Hygienically packed with high quality durable packing, and clear, easy-read metric/imperial markings.
